

SECS REIMBURSEMENT AGREEMENT

I, as an Oakland University student requesting reimbursement from the School of Engineering and Computer Science, have read and understand the Oakland University Administrative Policies & Procedures Numbers 207, 208, and 1000 found on the web site. If I will be requesting reimbursement for traveling on Oakland University business, I have read and understand Policy 1200 as revised 2017.

I have read the above statement and hereby agree to comply with all terms specified in the referenced policies. I understand my reimbursement will follow the criteria outlined in OU Policies. I further understand that this reimbursement agreement will need to be completed for each semester that I seek reimbursement from SECS.
